The making of a classic: the automobile as *objet d'art*.

Elegance is just one of the many faces of Imperial. It is a look this extraordinary automobile wears very well. From its striking silhouette to its distinctively sculpted grillwork, from its neoclassic opera roof treatment to its concealed headlamps, Imperial conjures up the quintessential image of the international luxury car. It is an image that has been carefully honed to attain the standard of design excellence its nameplate implies.

There is no luxury without technology. Expect the finest from Imperial, from speed-actuated power door locks to automatic rear load-levelling suspension and anti-lock 4-wheel disc brakes.

Inside, the air of unquestioned refinement is maintained. Shown at left is the optional Mark Cross leather interior. Imperial features eight-way adjustable power front seats with driver side memory.

Elegantly tailored in soft Kimberly cloth, or shown here with optional Mark Cross leather facings, seats on New Yorker Fifth Avenue are as inviting as they are comfortable. The front 50/50 seats adjust individually, while rear seating confers exceptional legroom.

Convenience and comfort, without complications.

When you arrive in New Yorker Fifth Avenue, you are making more than an appearance. You are making an impression. It's a subtle but clear announcement that you are a discriminating individual. Someone who will settle only for the very best. New Yorker Fifth Avenue is a luxury automobile in the classic sense of the word. Yet its front-wheel drive and rack-and-pinion steering give it handling characteristics unexpected

in a car of its size.

Its exterior dimensions are classically heroic. Its refinements boldly contemporary. Its options are a matter of preference and taste.

New Yorker Fifth Avenue makes a dauntless impression. As personal as your signature.

The exclusive Chrysler "Crystal Key" Warranty is evidence of a new dimension in engineering excellence and contemporary automotive technology.*

A sense of elegance and quiet recognition.

New Yorker Landau is an exquisite member of the New Yorker family. Its engineering is contemporary, yet its design is classic in the New Yorker tradition. Landau performance is smooth with Chrysler's new 3.3-litre EFI V6 engine and Ultradrive electronic four-speed automatic transaxle with overdrive, all standard equipment.

Inside, Landau is a personal venture in environmental control. It's an environment of relaxation and quiet luxury. Sound-deadening materials are placed to reduce noise and vibration. With standard automatic temperature-control air conditioning, New Yorker Landau can make the longest journeys more pleasurable, so you always arrive in control, ready to be your best.

Position-sensitive front suspension struts minimize ride harshness, and automatic rear load-leveling keeps Landau at a constant level, optimizing total cargo capacity and comfort.

50/50 front seats on New Yorker Landau are individually adjustable, wide and deep, with dual armrests, adjustable head restraints and reclining seatbacks. Corinthian leather Mark Cross interior is optional.

Corrosion-resistant materials and galvanized steel are used extensively to help protect body parts from the elements.

The successful mating of technology with tradition.

The Dynasty concept: an elegant automobile that stands apart from the other full-size cars because of its affordability. Dynasty value, however, is far more than price. Inside, there is ample room for six, although its exterior dimensions are clearly in the intermediate range. Dynasty LE features the refinements and conveniences of reclining seatbacks and dual armrests in front, and rear centre armrest and footwell air exhausters for optimum heating and ventilation. Beyond the many standard features, Dynasty LE offers a full range of luxury, convenience, and performance options.

Dramatic aerodynamic styling is a hallmark of both Dynasty and Dynasty LE. Rack-and-pinion steering and front-wheel drive contribute to its sure, easy handling.

Dynasty is particularly driver-friendly, with operating controls for heating, cooling, and sound system all within easy reach. Standard LE cloth interior is shown here.

The family wagon steps out on the town.

Chrysler has taken its industry-leading mini-wagon and redefined it with a distinctive, luxurious identity. From the wheels up, almost all the finest features available are standard equipment – leaving the choice of options to personal taste and preference.

The first comforting embrace of Town & Country tells you this vehicle is comfortable at the public beach or the private country club. And getting there is a joy in itself with the powerful 3.3-litre Multi-point EFI V6 engine, electronic automatic four-speed transaxle, and power-assisted rack-and-pinion steering. Town & Country. Superlative.

Town & Country. The exterior is enhanced by aerosculpted ground effects; the interior is classic comfort replete with leather-trimmed seven-passenger seating, front and rear air conditioning and the sophisticated, graphic-equalized Chrysler-Infinity™ II Sound System.

LeBaron Sedan. Born with the legacy of Chrysler luxury.

LeBaron Sedan: a new intermediate-sized road car with the unmistakable traits of grace and comfort that make it a Chrysler. The styling is clean yet classic with its Landau roof and waterfall grille. Throughout, the technology reflects Chrysler's mastery of engineering excellence.

The standard 3.0-litre Multi-point EFI V6 engine coupled with an electronic four-speed automatic transaxle with overdrive gives smooth, sure performance in town and on the highway. With front-wheel drive, rack-and-pinion power-assisted steering and a front gas-charged Iso-strut suspension, LeBaron Sedan exhibits excellent road manners. Chrysler LeBaron Sedan. Taking the heritage into the 1990s.

LeBaron Sedan is a showcase of advanced technology. Standard electronic instrumentation has digital speedometer and odometer with trip-meter. A 6-function message centre and electronic speed control are standard.

LeBaron Sedan interior, whether in standard cloth or optional leather shown here, features individually adjustable, 50/50 reclining front seats, seating for six, centre armrests front and rear, and child-seat anchorage provision.

LeBaron Convertible. Follow the Sun.

From the start, LeBaron Convertible was designed – engineered – with special construction features to ensure structural integrity... for the total convertible experience. Power-assisted rack-and-pinion steering and front-wheel drive, plus optional Sport suspension, lend to the rapture of open sky and road together. With the top up, there is a tailored headliner for improved appearance and sound insulation; there's also a glass rear window with defroster. When the sun comes up and the power top goes down, it stores behind the rear seat. Voilà. The open road!

LeBaron Convertible and Coupe offer four engine choices including the 3.0-litre V6.

The new instrument panel on 1990 LeBaron Convertible and Coupe positions gauges and controls for optimum driver convenience. The electronic cluster shown here is standard on the Premium model.

An automobile worthy of one's driving ambitions.

LeBaron Coupe ... the epitome of the personalized coupe. Comfort, efficiency and performance. A driver's car. Among its primary sport assets, an available V6, standard on Premium and GT models, or a 2.2-litre Variable Nozzle Intercooled Turbo IV, standard on GTC. Handling is confident with power-assisted rack-and-pinion steering, front-wheel drive and standard four-wheel disc brakes.

Complementing that feel is Chrysler luxury, with formfitting seats, and an array of standard and optional features for every model.

The LeBaron cockpit: sport analogue instrumentation, controls at your fingertips, full centre console with centrally mounted hand brake.

Daytona: the form, the feel, the fire.

Every Daytona offers living arrangements that match its personality to yours. Select sleek standard Daytona with its proven exceptional 2.5-litre EFI 4-cylinder balance-shaft engine, the performance posture of Daytona ES with optional 3.0-litre V6, Daytona ES Turbo with the 2.5-litre four-cylinder Turbo I, or Daytona Shelby with the Intercooled Variable Nozzle 2.2-litre Turbo IV.

Chrysler Daytona: the form that demands to be driven; the feel of control and excitement; the fire of uncompromising performance heritage.

Complete electromechanical analogue instrumentation keeps you informed of all vital functions including voltage, oil pressure and water temperature.

All of Chrysler Canada's North-American-built cars and family wagons are protected by warranty coverage that spells confidence. Upon expiration of the 12-month or 20,000-kilometre Basic Warranty, the Powertrain Warranty extends coverage up to 7 years or 115,000 kilometres*. The Corrosion Warranty covers body sheet metal against rust-through for 3 years (regardless of distance driven) and outer body panels are covered up to 7 years or 160,000 kilometres. See your Dealer for full details.

Chrysler Canada's Crystal Key Warranty provides New Yorker Fifth Avenue, New Yorker Landau and Imperial with a 5-year or 80,000-kilometre Basic Warranty. Upon expiration of the Basic Warranty, the Powertrain Warranty extends coverage up to 7 years or 115,000 kilometres.*

The Corrosion Warranty covers body sheet metal against rust-through for 5 years or 80,000 kilometres and outer body panels are covered up to 7 years or 160,000 kilometres. See your Dealer for full details.

**A deductible may apply.*
